President's Message

Hello Bonsai Friends,

I hope everybody had a safe and wonderful Fourth of July and everyone was able to celebrate and enjoy their independence.

This month's meeting will be Lourdes. She would like to work with everyone with little trees. If you have any small bonsai or pre-bonsai that you would like to work with this month's meeting it's going to be on creating shohin and Mame bonsai trees or known as miniature bonsai trees.

If you don't have any small trees to bring, Lourdes will have some available for sale with part of the proceeds going to the club. It's a nice time to add nice small trees to your collection.

Don't forget we also will have the bonsai corner store, the raffle table and a display area open for those of you who want to sell some bonsai trees, display some of your artwork and donations to help out the club to bring future programs.

I will be providing name tags for all paid members.

For those of you that haven't paid your membership, please do so, if you can, at this month's meeting because you can't participate in workshops and other club activities unless you're a paid member. It's for \$35 for single membership or \$50 for family. It's a great investment for a year's worth of knowledge and fun if bonsai.

We invite new guest and visitors so if you have any friends or know somebody who would like to come and check out our society we would love to have them there as our guest.

We hope to see everyone at this month's meeting and don't forget your tools and bonsai wire.

Glenn

**Don't forget to bring something for the raffle table.
If you're looking to make a few extra bucks or add
something to your collection, check out the corner store.**
