President's Message

Hello Bonsai Friends,

I thought we would try something a little different that the club did several years ago. We are going to have a style off. This is not a competition to see who's a better artist or stylist. It's a program for all of us to have a lot of fun and hopefully educate us and the volunteers who are going to style the trees. There will be 3 to 4 trees that look the same and basically the idea is to see how each person styles them differently. All volunteers get to keep their trees.

Also if there's time, you can bring a tree that you may need help with to work on at the meeting.

Please don't forget about the display table if you want to bring something in to be critiqued or show the club members.

Also if you have any items for the raffle table that would be great the club can always use the funding to bring us future programs and hopefully a guest speaker.

The Bonsai corner store will be open if you like to bring in some trees to make an extra few bucks and help the club out also.

I will be providing name tags for all paid members.

For those of you that haven't paid your membership, please do so, if you can, at this month's meeting because you can't participate in workshops and other club activities unless you're a paid member. It's for \$35 for single membership or \$50 for family. It's a great investment for a year's worth of knowledge and fun if bonsai.

We invite new guest and visitors so if you have any friends or know somebody who would like to come and check out our society we would love to have them there as our guest.

Refreshments will be served.

We hope to see everyone at this month's meeting and don't forget your tools and bonsai wire.

Glenn

**Don't forget to bring something for the raffle table.
