Hello Bonsai Friends,

Last months pizza B.Y.O.T workshop was a big hit as it usually is. We had the biggest turnout that we have had in several months. It was good to see everyone enjoying their pizza and working on their trees. These are the kind of turnouts we need when we have guest speakers and visiting artist. Speaking of guest speakers this month we will have our own newsletter editor and past vice President Hiram Macias doing a Brazilian Raintree demo. Hiram just recently started teaching and doing demos. You all have see some of his **trees, not only at our club meetings but also in our annual show. He's very** good and has turn out many great trees. Please come out and support him and we thank him for taking the time to share his knowledge with us. The tree will be raffled off after his demo.

It's getting close to show time and we only have two and a half months left. I'll say it again, WE NEED YOUR HELP! Please help out your fellow club members and board by signing up to give us a hand putting together this years show. Hiram's done a GREAT job in producing show flyers and putting together the workshops and demos. And the other committee heads are working **hard to promote vendors and sale adds for the program. It won't take long if** you all pitch in and help in what ever you can. Your help will go a long way in producing and promoting one of the best shows ever.

WE NEED AND WANT YOUR HELP

Sign up sheets will be at the meeting. Please don't forget to bring something in for the raffle table. The display table will be open for you to bring your trees to share or maybe get some pointers if needed. The corner store will also be there if you have something you would like to sell. **We are also planning our first field trip of the year to Jupiter Bonsai. Check out the ad on page six.**

Thank You and see you at the meeting,

Glenn

FIELD TRIP TIME

This is our first field trip of the year. We are going back to one of our favorite nurseries, Jupiter Bonsai Nursery. Owned and operated by Allen Carver the grandson of one of the bonsai pioneers in the state of Florida, Jim Moody. If you have never been there, you are missing out on an amazing experience. You will feel like a kid in a candy store. His prices for trees, wire, and mica pots are the most reasonable. If you are going, you need to contact Hiram (beuf143@hotmail.com). You will have to meet at the Denny's 120th and Kendall Drive at 8:00 am Sunday, August 14th. We need cars to car pool and the gas will be evenly calculated among the passengers of each individual car. **Don't miss out an amazing nursery.**
