Dear Bonsai Friends,

First, I would like to like to thank Jarbas Godoy for sharing his knowledge, time, and great sense of humor with our club at the May meeting. The information he shared with us is invaluable to our growth and understanding of buttonwoods and all tropical trees. Jarbas will be back in August for Part 2 of the buttonwood program, so feed them well and watch your wiring in the meantime.

Secondly, I was able to stop by the BSF convention for a couple of hours on Memorial Weekend to appreciate the amazing trees being displayed, the vendor area, and spend a little time with good friends like Charles Michelson, Noel and Johnson, we walk the display and discussed in detail some of the specimens, also we dedicated some time, admiring Rob Addonizio's pottery.

Finally, although I could not make the last meeting, I would like to reemphasize my commitment to the club and being open to feedback on how to improve the club's direction and future. We are working towards improving our knowledge and re-gaining or position as one the best clubs in the state.

For t his Month's BYOT, you must work on a new tree, also we would switch mentors.

Bring your best creativity and energy to our next meeting, think outside the box, and don't miss out on the fun.

Toby Diaz
BSM President

Don't forget to bring something for the raffle table and also for the display table. If you're looking to make a few extra bucks or add something to your collection, check out the corner store.
